# BRUCKNER'S JOURNEY

The breathtaking majesty of Anton  
Bruckner's music thunders throughout  
Avery Fisher Hall with two early works from  
this composer's powerful canon. Symphony  
No. 1, in its lesser known Vienna Version,  
reveals Bruckner's first genius. The Mass in  
F minor, built on the grandest scale, declares  
Bruckner's deep and abiding faith, and  
storms the heavens with praise.
